

Add the **MLS** to your existing FSBO marketing!*

For Sale by Owner Resources, LLC offers you the opportunity to market your home on your local Cincinnati or Northern Kentucky MLS for a flat fee of only \$550.

The most important part is this:
With our MLS program, you continue marketing your property on all FSBO websites at the same time for the most exposure possible. Many Brokers will usually insist that you remove your other marketing from FSBO websites like ours.

- Fill out your listing forms and return to Broker.
- Make \$550 payment directly to Broker.
- Exchange your FSBO sign insert at our Newport, KY office for a similar sign (as seen at left) that meets all Board of Realtor regulations and still has your contact number on it.
- Make sure any additional FSBO marketing includes the following statement. "This property is also Brokered by Home Listing Service LLC."
